

OUR SCHOLARS CAN EXCEL AT MATH!

2023 CAAP LEGACY ROUNDTABLE ACCELERATED MATHEMATICS ACADEMY FOR YOUNG WOMEN AND MEN GRADES 6 AND UP.

Proficiency in math is one of the most important skills a young student can obtain. If a career in Science, Technology, Engineering or Math is a student's dream, participating in the Legacy Roundtable Mathematics Academy is a must.

Through this rigorous program, students will:

Work with highly skilled UCR student tutors

Improve study skills

Reinforce cultural connections

Prepare for STEM careers
